## ST. BENEDICT'S COLLEGE,

ATCHISON, KANSAS.

---

This institution, conducted by the Benedictine Fathers, was founded in the year 1859. It is incorporated under the laws of the State of Kansas, empowering it to confer academical honors.

The location of the College is delightful and healthy, commanding a magnificent view of the Missouri river and the surrounding country; the buildings are large and commodious; the grounds are extensive and at all seasons afford ample facilities for outdoor amusement and exercises.

Owing to the perfect railroad system of Atchison, the College is readily accessible from all the surrounding States and the Territories.

The object of this institution is to impart to young men a thorough moral and mental training, so as to fit them for any position in life.

## COURSE OF INSTRUCTION.

The plan of instruction embraces two regular and distinct courses—the Classical and the Commercial.

## GENERAL REGULATIONS.

The Academical Year consists of two sessions of five months each,—the first beginning on the first Tuesday of September and ending on the first of February; the second beginning on the first of February and ending the last week of June. An examination of one week's duration is held at the end of each session, and reports are sent to the parents or guardians at the end of each quarter, to inform them of the conduct, health, and improvement of their sons or wards.

When a student presents himself for admission, which is granted at any time of the year, he is examined and assigned to the class for which his acquirements qualify him. After September 30th no one will be received for admission into the first Latin Class, unless his previous studies will enable him to go on with the class.

Every student must be provided with one Sunday and two every day suits of clothes, six linen or cotton and three flannel shirts, eight pair of socks, six pocket handkerchiefs, three pair of shoes or boots, one pair of light shoes or slippers, two cotton clothes-bags, four napkins and towels, and all articles necessary for toilet. Linen must be marked with the owner's name in full.

The exercises of religious worship are Catholic, and every student is required, for the sake of order and uniformity, to attend them.

At Christmas, students are allowed a recess of ten days, beginning on the 24th of December and ending on the 2d of January.

It is to be wished that students be not withdrawn on this occasion; yet should any one obtain leave of absence, and not be present on January 3d for the resumption of class exercises, unless he be prevented by some extraordinary cause, he will loose all claim to honors for that Academic Year.

---

DAY-SCHOLARS.

As the desired progress of day-scholars greatly depends on their regular attendance at class and their private studies at home, they should never be kept from school except for very grave reasons; and their studies, to which from two to three hours ought to be devoted every evening, should be watched over with great care by their parents or guardians.

---

## DEGREES.

The degree of A. B. is conferred on such students as have completed the Classical Course and have passed a satisfactory examination.

Those who take the degree of Bachelor of Arts may obtain the degree of Master of Arts, by devoting two years to a learned profession, or to literary or scientific studies.

Students passing a satisfactory examination in all the branches prescribed in the Commercial Course, may receive the title of Master of Accounts.

---

## MEMORIAL SCHOLARSHIP.

The attention of students is called to the fact that a free scholarship has been founded as a lasting memorial of the fourteen hundredth anniversary of the birth of St. Benedict. It is intended by this foundation to offer some apt, diligent and deserving student an opportunity of finishing his Classical Course gratis. The privilege of the scholarship is open to students from all quarters, and will be awarded to whoever shall score the highest number of points in a competitive examination. All that desire to avail themselves of this opportunity will please take notice of the following points:

- 1st. Applicants must study with a view to the priesthood;
- 2d. They must have studied Latin not longer than two years;
- 3d. Their conduct must be irreproachable;
- 4th. Their standing in Latin must be good.

For a nearer determination of what is required under the last head, it is here added, that applicants must know Latin Etymology well ; in Syntax, they must be familiar with the use of the Cases, and the principal rules pertaining to the Modes and the Tenses of the Latin verb. They must, moreover, be able to translate readily whatever they may have read. In addition to the above, they must have a good knowledge of the Etymology and the Syntax of the English tongue; must be able to write a middling fair composition, and be thorough in Catechism.

All that intend to compete for the scholarship must notify the President of the College not later than the 15th of August. On receiving this notice, each applicant will be informed of the time when the competitive examination will be held. The successful candidate will be entitled to free tuition in the Classical Course, and board for a period of three years. The next competitive examination will occur August, 1884.

## CHRONOLOGICAL NOTES.

Since the last report, the President paid a visit to St. Vincent's Abbey and College, Westmoreland County, Pa., on occasion of the celebration of the fiftieth anniversary of the ordination of the Rt. Rev. Boniface Wimmer. We mention this specially, as that venerable prelate is the founder of the Benedictine Order in America, and President of the American Cassinesian Congregation of our order. This Congregation consists of three Abbeys, and a number of dependent priories, colleges, and parishes, and is spread over fifteen States of the Union.

During vacation, the College was thoroughly repaired, rooms re-furnished, etc. A large and commodious bakery was built, two large furnaces now insure even temperature and superior cleanliness and comfort. The kitchen was furnished with a new and effective range, and other minor but useful improvements were added.

September 6. The students were examined and their respective classes assigned them.

September 7. The competitive examination for "St. Benedict's Scholarship (vid. page 13) took place. Master Joseph Altmann took the prize.

Four students of the classical course, who, in the closing examinations had been passed conditionally, were re-examined and two of them advanced.

September 8. Very Rev. Boniface F. Verheyen, sang Solemn High Mass in honor of the Holy Ghost, to invoke his assistance for the coming year.

September 26. The students assisted at a Solemn High Mass "Pro Pace," in reparation of the crime committed against the sacred person of the late President of the United States. In the afternoon the faculty and students assisted at the civic memorial services held in the city in honor of the deceased President.

November 24. This being Thanksgiving Day, the seniors surprised their fellow students with a literary entertainment. This was so favorably received and thoroughly appreciated, that the seniors formed a Dramatic Association under the presidency of Rev. Casimir Elsesser, O. S. B. The President furthered their designs and wishes in every possible way, stipulating only that no time allotted to class or study hours be spent in rehearsals.

January 7, 1882. The students made their retreat. The exercises were conducted by Rev. Casimir, O. S. B.

January 21. Great excitement had been raised in the west about the sudden spread of small-pox. On all sides the city authorities adopted vigorous preventative measures, and very urgently recommended the practice of vaccination. Even the National Board of Health published a circular warning the people, and exhorting them to use all necessary means to prevent an epidemic. The faculty of the College and the members of the household were vaccinated, and the President sent a circular to all parents of students, to ascertain their pleasure regarding the proposed vaccination of their sons. As none objected to the contemplated measure the students were all vaccinated on the day above mentioned.

January 26. The semi-annual examinations were begun. They ended February 1st. The result was quite satisfactory.

March 21. The Feast of our Patron St. Benedict. Rt. Rev. Bishop Seidenbush, O. S. B., of St. Cloud, Minn., celebrated Solemn Pontifical High Mass, in the presence of Rt. Rev. Bishop Fink, O. S. B., and fifteen secular and regular priests. In the evening the Dramatic Association played the beautiful and soul stirring drama, "St. Hermenegild," written by Rev. Leo Haid, O. S. B., of St. Vincent's College, Pa. The drama was well rendered, giving great pleasure and general satisfaction to the many visitors that honored the College with their presence this day.

April 29. Last night occurred the death of one of

the pupils, Claudie Ruy. The following notice of it appeared in the "Atchison Champion"

**"DIED,**

At the College, April 28, 11:30 p. m., of acute laryngitis and exhaustion, **CLAUDIE RUY.**

The deceased was the son of Mrs. J. W. Ransom, of Butte City, Montana Territory, and was thirteen years old. He entered the preparatory department of the College February 7, and gave promise of good scholarship. A few days after his return from a visit to Leavenworth, where he had gone to see his mother, the symptoms of the disease which cut short his young and promising life, first made their appearance. Under the skillful hands of Doctors Linley and Gough of this city, and Dr. M. Thomas of Leavenworth, all the remedies calculated to master the disease were applied, but medical skill proved ineffectual to rally his exhausted system. His mother was in attendance on him from the first moment information reached her, and the afflicted lady was untiring in her solicitude to ease his suffering and minister to his wants.

The funeral will take place from the College this morning, April 30, at 9 o'clock."

May 10. The College authorities had the remains of Rev. Urban Bayer, O. S. B., transferred from the Parish Cemetery to that of the College. The deceased was professor at the College during 1871-73, and died at Seneca, Kas., during vacation, of inflammation of the bowels, on August 5, 1873.

The Students' May-Day was observed May 24. The day was spent as usual at Sugar Lake.

The final examinations were begun June 14.

Friday, June 23. The Scholastic year was brought to a close, by a Solemn High Mass, after which the premiums were distributed by the President. Mr. Henry Tihen delivered the valedictory, and Rev. Peter Kassens, O. S. B., addressed the students.

Among the additions to the College Library during the past year, we take pleasure in noticing several valuable government publications from Hon. Nicholas Ford, M. C., of which a complete set of sectional maps of the States and Territories deserve special mention.

The Reading and Literary Society's library received an increase, during the year, of seventy-two volumes, partly by purchase and partly by donation.

When the classes were called in September, sixty students answered to roll-call. This number was increased to seventy-three by the 13th of the same month. In December the actual attendance was ninety-five, and June 23d the College closed with seventy students.

The health of the students was good throughout the year.

The next Scholastic year begins the first Tuesday of September, 1882, and ends the last Tuesday of June, 1883.
